

**REMARKS**

Consideration of the remarks presented herein is respectfully requested.

**I. Amendments to the Specification and/or Claims**

This amendment contains no amendments to the specification.

The following amendments have been made to the claims.

Claim 1 has been amended to incorporate the feature of claim 3 (now canceled), to thereby reflect a water-soluble polymer having the recited structure where  $z'$  is an integer from 3 to 12.

Claims 2, 3, and 51 have accordingly been canceled.

Claim 42 has been amended to recite a polymer having a value of  $z'$  from 3 to 6. Support for this range is found in the specification at page 5, line 13.

No new matter has been introduced into the application as a result of the foregoing amendments.

**II. Conclusion**

It is submitted that the claims pending in the application are in condition for allowance. Issuance of a new Notice of Allowance is therefore respectfully requested.

If a telephone conference would expedite the prosecution of the subject application, the Examiner is requested to call the undersigned at (650) 493-3400.

Respectfully submitted,

Date: May 9, 2006
